# OUTLOOK 2013

**38th Annual Economic Outlook Seminar**

| Presented by NorthWestern Energy and the  
Bureau of Business & Economic Research

**HOW CAN MONTANANS  
TAKE CHARGE OF CHANGES  
IN HEALTH CARE?**

## **You Are Invited to a Briefing for Montana Legislators**

**Tuesday, January 29th at 5:30 p.m.  
Room 102 of the State Capitol**

The Bureau will present a 60 to 90 minute briefing summarizing the content of the 2013 Outlook program. Hear from industry experts on agriculture, tourism, manufacturing, health care, real estate, and wood products. The briefing will feature coverage of Montana's energy industry with Terry Johnson, BBER's new director of Natural Resources and Energy Research
